Congratulations and best wishes to the Class of 1999. This preliminary supplement booklet comes to you at this time so you may enjoy some candid photos and obtain memento signatures from friends and classmates. The entire yearbook, due at the end of summer, will contain all photos and articles, including spring sports, and senior prom and graduation pictures, with no need for a supplement. We hope you enjoy both this and your complete yearbook.

We've come to the end and I have nothing to write. The thing that I'm most thankful for are the close friendships that we have made and of course the love of Steve. Steve: you'd be able to make egg benedicts(if you know what I mean) by the way. It's still your fault that Al got sick freshman year. But I will never stop mentioning it.
